We're Ready to Help Serve Our Community!

NAMI of Southern Ohio never really went away – but we're happy to say **WE'RE BACK AND BETTER THAN EVER!**

We've experienced great changes at NAMI of Southern Ohio in 2017 including the hiring of Lance Cranmer, our new Executive Director, the addition of several new Board members and an exciting relocation into an office inside the American Red Cross building at 181 N. Bridge Street in Chillicothe.

With several **FREE** programs designed to assist those living with serious mental illness and their families set to begin in the near future, come learn more about NAMI of Southern Ohio and what we have to offer.

NAMI of Southern Ohio is a contract provider agency of the ADAMH Board and proudly serves the residents of Fayette, Highland, Pickaway, Pike and Ross Counties.

NAMI's mission is to improve the quality of life and ensure dignity and respect for persons with serious mental illness, and offer support to their families and close friends.
