New Business:

Tracy Pederson handed out Start Talking Cards. She requested the cards to have when we go to events to hand out to parents.

Old Business:

Prevention for Parents – Tracy and Sue are still working to get in contact with the Jasper PTO and Waverly Athletic Boosters. We want to attend their meetings and educate the parents of the dangers of prescription drug misuse and abuse, even if it is to hand out some of the Start Talking Card to the parents in attendance.

Post Overdose Response Team – Law enforcement has been contacted about starting the discussion of PORT in Pike County and the use of Narcan by Law Enforcement. Mike Blair with Piketon Police, and the Pike County Sheriff's office has committed to attending a meeting to discuss the formation of an Overdose Response team. We are still waiting to hear back from the Waverly Police department. May have a better response next month after the election is over.
