**Guest Speaker:** No Guest Speaker

The discussion continued from our last meeting about the need for a Post Overdose Response Team. Tracy Pederson provided information to the coalition from the Colerain Township Quick Response Team. After reviewing this information it was decided that we should use this as a template for starting the Pike County PORT. Tracy will work on putting Pike County Resources into the model from the Colerain Township QRT. Melinda will work on putting together a brochure with our local information. These will be reviewed at our next meeting.

**New Business:**

Jim Dixon and Robert Barbee reported that the Pike County Sheriff has been trained on using Narcan and they are now carrying it in their cruisers.

**Old Business:**

Jennifer Biddinger did provide us with some information about infant mortality and local resources as a follow up to last month's meeting. However the coalition has decided to go forward with the PORT program at this time. Her information will be saved and addressed at a later date.
